Tour Packages

Welcome to ISA Group Tour Packages

At ISA group we believe that Education is the passport to your future. We are providing tours to showcase education and investments in Australia for International students around the world. ISA also provide tours for parents, corporates and teachers so all individuals can reap the benefits from education abroad.

During our study tours students are given the opportunity to explore their interests in subjects such as English, Sports, Arts & Australian culture and Music. They will be integrated into the local community where they will experience first-hand Australian education system and way-of-life.

Students will be showcased some of the most spectacular sites in the world including Kings Park, Wave Rock, and the opportunity to see some of Australia's finest wildlife including Koalas and Kangaroos.

We run simultaneous tours to meet the potential investment interests of the parents. Whilst classes are in session, parents are offered the chance to view real estate products, business opportunities and investment packages which may lead to a platform for business migration.

ISA Group offers customized tour programs for:

Why study in Australia?

Australia is one of the best places in the world to study. It offers a huge variety of courses for international students. There are over 1,200 institutions and over 22,000 courses to choose from and there is a perfect choice for every candidate. It is the third most popular destination for international students. Australia's education systems and lifestyle attract more international students than much larger economies like Japan, France and Germany. Australia promotes innovation, independence and creativity through its universities. It provides a challenge and is an exciting place for international students to explore. Studying in Australia is a fantastic opportunity for students to pave their education pathway successfully, whilst growing, living and experiencing the Australian lifestyle. Studying at an Australian educational institution will give you a competitive edge in the market when applying for jobs in the future.

According to an Austar Group Wechat (微信) statement, Australia ranks number 1 for education. The U.K. based Legatum Institute published its 2016 prosperity index, ranking Australia ahead of both the US and UK in educational systems.

Australian Lifestyle

Australia has it all, a superb climate, a fantastic education system, an advanced health system, a stable economic and political environment, exceptional transport, and advanced infrastructure in technology, an array of tourist sites, clean safe surroundings and a vast choice of activity options for all to enjoy. The quality of life in Australia is voted one of the best in the world. The Australian government encourages visitors and new residents to learn as much as they can about Australia, including Australia's heritage, languages, customs, values and way-of-life.

Accommodation

HOMESTAY

Homestay is a major part of the study tour experience and gives the student a perfect opportunity to experience the Australian way of life. As host families speak English at home, it offers students to practice the language in everyday situations. Get the most out of your travel and study experience with a family in Australia by experiencing the lifestyle first-hand. All of our homestay families are welcoming, they offer comfortable and clean accommodation to all individuals on the tour.

Accommodation is located close to the universities and schools, making it easy for students to travel to and from their study tour. Meal packages are available upon request, please discuss dietary requirements with us so we can prepare in advance. If a student becomes unhappy with their host family, we will do what we can to resolve the situation and find them alternate accommodation if necessary.

HOTELS

We can arrange for accommodation at premier Australian hotels to suit the needs of our clients. The hotels provide luxury world-class services.

Should you require more information, please contact education@isa.com.au.

Education in Australia

ISA group provides education packages across a range of locations and in some of the most established education institutions including The University of Western Australia, Curtin University, Navitas, Lexis English and more. Below are samples of the tour packages we can offer.

SAMPLE PROGRAM ONE: CURTIN ENGLISH CUSTOMISED PROGRAM – CRICOS code: 00301J

Integrated English Language Intensive Course for Overseas Students and Cultural Excursions.

About Curtin University

Curtin is Western Australia's largest university and is a forward-looking, vibrant institution with award-winning teaching staff, innovative programs, modern facilities and more than 50,000 students across seven campuses in Australia and South-East Asia. Curtin is also Western Australia's most multicultural university and the university with the third largest international student population in Australia. Curtin University is ranked among the world's best. It is ranked in the top 2% of universities worldwide in the highly regarded Academic Ranking of World Universities (ARWU).

About Curtin English

Curtin started teaching English to international students in 1972, more than 40 years ago. Since then, we have taught tens of thousands of students. We understand that English is important for success in today's global environment, whether you need English for work, travel or university study.

At Curtin English we focus on high quality teaching and a supportive learning environment. Our aim is to help you achieve your goals by developing your skills and giving you confidence in communicating in English. To help achieve this, you will receive many opportunities to use your English in class, around the beautiful city of Perth and on the campus of one of Australia's largest and most dynamic universities.

This program gives students the ability to experience student life in Perth, visit some of Perth's wonderful attractions and learn English with other Curtin English students. The program aims to:

- Improve participants' English language proficiency in the four macro skills: speaking, listening, reading and writing.
- Give students the experience of learning English with students from other cultures.
- Provide participants with experience of aspects of Australian culture and lifestyle.
